## 64. člen (javna objava)

- (1) SDH mora na svojih spletnih straneh javno in sproti objavljati:
- politiko upravljanja ter obseg posameznih naložb v gospodarskih družbah in njihove spremembe;
  - kodeks ter vse njegove spremembe in dopolnitve, načrt integritete za upravljanje tveganj in druge akte, ki na posameznih ožjih in vsebinsko zaokroženih področjih podrobneje urejajo postopke in merila SOD glede upravljanja;
  - merila za vrednotenje naložb;
  - letno in četrletno poročilo upravljanja;
  - revizijska poročila;
  - seznam subjektov, za katere skladno z zakonodajo veljajo omejitve poslovanja s povezanimi osebami;
  - informacije o sestavi organov upravljanja (vključno s prokuristi) in nadzora, kadrovske komisije, posvetovalnih organov SDH in pooblaščenca za skladnost poslovanja in integriteto (vključno z življenjepisi, izjavami o razkritju nasprotij interesov skladno z drugim odstavkom 59. člena tega zakona, pogodbeno dogovorjenimi prejemki oziroma bonitetami in informacijami v zvezi s postopkom kadrovanja navedenih oseb).
- (2) Obveznost javne objave podatkov iz pete, šeste in sedme alineje prejšnjega odstavka velja tudi za družbe, v katerih ima SDH večinski delež ali prevladujoč vpliv.
- (3) Vsaka javno objavljena vsebina iz prvega in drugega odstavka tega člena mora biti dostopna še vsaj pet let po objavi. Če so v četrletno ali letno poročilo SDH ali v načrt integritete vključeni podatki, ki so v skladu z zakonom zaupne narave ali poslovna skrivnost ali katerih razkritje bi bilo lahko resna ovira za notranje delovanje SDH ali družbe iz prejšnjega odstavka, se taki podatki prekrijejo.
- (4) Ta člen ne omejuje obveznosti in postopkov javnih razkritij ali dostopa do informacij javnega značaja, ki jim je zavezan SDH na podlagi drugih zakonov.
- (5) Nadzor nad tem členom izvaja Agencija za trg vrednostnih papirjev.
